UTILITIES MATTER

Deny the request of Mr. Joseph Wojcicki for *de novo* review of the application of South Carolina Electric & Gas Company to construct two new nuclear units (Units 2 and 3) at the V.C. Summer Nuclear Station under the Base Load Review Act (BLRA). Mr. Wojcicki was a party to the lengthy hearings held on this matter in 2008, after which Orders were issued. The BLRA does not provide for a *de novo* review of the application.
